WEDDING PLANNER

The image features a decorative border of purple wisteria flowers and green leaves hanging from the top edge. The flowers are in various shades of purple and blue, with some green leaves interspersed. The background is a light blue gradient.

ABOUT US

A Wedding planner is a professional who assists with the design, planning, and management of a client's wedding. Weddings are significant events in people's lives and as such, couples are often willing to spend a considerable amount of money to ensure that their weddings are well-organized. Wedding planners are often used by couples who work long hours and have little spare time available for sourcing and managing wedding venues and wedding suppliers.

The image features a light blue rectangular background with a cream-colored border at the top. On the left and right sides of the border, there are illustrations of hanging wisteria flowers in shades of purple and blue. The title "OUR SERVICES" is centered in the blue area in a large, dark blue, serif font.
